

BSB50215 Diploma of Business

Not only did Elly get into her preferred degree but she has received extensive advanced standing towards her Bachelor of Business International allowing us to save approx. \$5000-\$7000!! This is also equivalent to more than a semester less study. Annette Scanlon (mother of past student who emailed to share a benefit her daughter will enjoy because she undertook the Diploma of Business with Redmako)

This qualification can help you get ahead in a variety of fields including marketing, human resources, accounting, banking and retail. This course will give you the skills and knowledge to explore roles such as project consultant, program coordinator and more.

You will learn the fundamentals of good business including managing marketing, project and risk management along with handling the recruitment and selection process.
